

Jennifer Harris

Painter

Jennifer Harris has been a resident of Cochise County since 1976. Discovering her passion for art early in life, she pursued her studies at Cochise College and the University of Arizona.

A member of Subway Gallery since 1997, Harris has been expressing herself through her art as a poem reflects one's soul. Jen's paintings express her every emotion. She is inspired by Francis Bacon of the 21st century.

Her work is featured at the Subway Gallery and Bizz Art Gallery in Bisbee, Arizona.
